1. According to Edith Garcia Buchaca, President of the Federacion Democratica de Mujeres Cubanas (FEDMC) which is closely associated with the Partido Socialista Popular (PSP-Cuban Communist Party), a Cuban-Hungarian Club will be established in Habana to maintain contacts with clubs of a similar nature among other satellite nationalities.*
2. (Ferenc Tamas) and (Palko Lukacs) have been chosen to organize the club, which will be financed by the Hungarian government. Tamas will be in charge of distributing information by means of a bulletin which will be published in either Spanish or Hungarian. Lukacs will be responsible for the gathering of information by maintaining files on all club members, their activities in Cuba, associations, and political leanings.
3. Garcia Buchaca asserted that the objective of the group will be to determine the answers to the following questions:
- What is the opinion of the European residents in Cuba concerning Tito? What possibilities do they believe exist for an eventual reconciliation between Tito and Russia?
 - Do the European colonies in Cuba believe the United States is preparing to thrust the world into another war? If so, what is the basis for such belief?
 - What is the best approach to the Hungarian residents in Cuba to gain their support and sympathy for the present Hungarian regime?
